Max. Range (Naut. Miles)	1,700	Mfr.	P & W
Crew No.	4	Rating Each	2,500 hp.

The C-118 is the freight-carrying version of the four-engine commercial DC-6 transport. Except for a 6 ft-longer fuselage and a narrower and blunter vertical stabilizer, the C-118 shares all the recognition features of the C-54/R5D/DC-4 aircraft, described elsewhere in this manual.
