Mr. Ferdie Deering, Editor
The Farmer-Stockman
Oklahoma City, Oklahoma

Dear Mr. Deering:

I am happy that the University of Oklahoma Press has been able to assist you in completing arrangements with American occupation authorities in Germany for the publication of your book, "USDA, Manager of American Agriculture", in the German language.

Because of its constructive approach to immediate food problems, as well as its study of the relation of agriculture with government agencies, your book in German will, I am sure, prove of great help to the American authorities in restoring the agricultural economy of Germany.

Again, I congratulate you on the fine work you are doing.

Cordially yours,
