Mr. Ferdie Deering
Oklahoma Publishing Co.
500 North Broadway
Oklahoma City, Oklahoma

Dear Ferdie:

As always, we appreciate your continued support of Oklahoma agriculture, and especially your being with us this past Saturday afternoon with the weather modification debate.

Our broadcasters appreciated your viewpoints and expressed a lot of enthusiasm over the certain amount of controversy that was generated in a quite lively debate session.

Thanks again, and we'll look forward to visiting with you more before we make our move south.

Sincerely,

Monte Reese
Associate Director
Farm Services Department
