Dear Ferdie:

Charles Voyles called my attention to the fact that you are in the process of changing your life style and routine from the day-to-day office activity to something a little different. We sincerely appreciate the efforts that you've made for the benefit of Oklahoma and for the benefit of agriculture.

We will look forward to your continued participation in the publications as Charles has indicated to me that you will continue to do some editorials. Please let us know if we can help you with your work.

Sincerely yours,

Frank H. Baker  
Dean and Director
