Dear Ferdie:

Frankie and I thank you very much for providing us with a copy of Look at Oklahoma. Both of us have leafed through it and have found that it's a good orientation to the history and geography of Oklahoma. You certainly are to be complimented for the fine job which you did on the publication. I can assure you that it will occupy a prominent place on the bookshelves in our home.

Best regards.

Sincerely yours,

L. L. Boger
President
